VETERINARY POSITION- RAPID CITY, SD

Associate Veterinarian (New Graduate or Experienced)

All Creatures Veterinary Hospital is the perfect fit for hardworking veterinarians that enjoy their free time. With nights and weekends off you will have ample time to enjoy the beautiful Black Hills and all they have to offer.

Our practice is open Monday through Friday and our veterinarians typically work 40-50 hours per week. We treat emergency cases if possible but refer after-hour emergencies to the local emergency clinic, depending on the case and need for care. Our small animal caseload is wide and varied, from basic wellness to involved medical and surgical cases and everything in between.

Our progressive and modern facility consists of a large reception and retail area, five examination rooms, separate hospital wards, radiology suite, laboratory and pharmacy, large treatment area, two surgery suites, and separate hydrotherapy suite. The clinic is equipped with an Abaxis laboratory (HM5 complete blood counts and four VS2 rotor chemistry machines to provide an in house full range of blood work on canine and felines). We also have digital radiography, ultrasound, CT, laparoscopic and orthopedic surgical equipment, laser therapy, endoscope, and digital medical records (Avimark).

We employ a large and experienced full time staff with registered technicians, veterinary assistants and receptionists. They are relied upon heavily for obtaining diagnostics, performing treatments and educating clients. This allows our doctors to spend more time examining patients, interpreting diagnostics, and developing treatment plans.

Area Description

We are located in the beautiful Black Hills of South Dakota close to Mount Rushmore. The area provides excellent outdoor activities including hiking, camping, mountain biking, fishing and hunting, water sports, rock climbing, and many other incredible outdoor recreations. Not to mention the view which stunning year round! Rapid City has a population of about 80,000 with the surrounding area of about 140,000 and growing. Rapid City offers an array of affordable places to live, low crime rate, great school districts, numerous churches, and amazing community events that peak just about anyone's interests.

Please send cover letter and resume to Dr. Dean Falcon at dcfalcon13@hotmail.com or call (605)786-4642 with any questions. Further information about our practice is available at allcreaturesrc.com

VETERINARIAN POSITION- HURON, SD

Job Title: Veterinarian – Large Animal/Mixed Animal Practitioner

Location: Huron Veterinary Hospital in Huron, SD

Employment Type: Full-time

About Us:

Huron Veterinary Hospital is a well-established, community-focused veterinary clinic dedicated to providing exceptional care to both large and small animals. Our team takes pride in fostering a collaborative and supportive work environment, where veterinarians can grow their skills while making a meaningful impact on the lives of animals and their owners. Our practice is a three-doctor mixed practice that is currently looking to expand to four or five doctors.

We are seeking a passionate and skilled veterinarian with a strong interest in large animal or mixed animal practice to join our team. The practice currently consists of 80% large animal and 20% small animal. The large animal portion of the practice is primarily cow-calf, but also feedlot, dairy, equine, and some small ruminant. Whether you're a seasoned professional or a recent graduate, we welcome individuals who are committed to high-quality patient care and client communication.

Huron Veterinary Hospital, PA has been serving the Huron area for 60 years, so it is a very well-established practice in a community of 14000+ people. Huron is perfectly located in the center of eastern South Dakota with easy access to both I-90 and I-29 including approximately 1-2 hour drive to Mitchell, Aberdeen, Watertown, Pierre, Brookings, and Sioux Falls. The area offers excellent

hunting and fishing opportunities as well as 3 golf courses and a multitude of state parks for camping. Huron offers numerous types of restaurants for everyone's tastes, 2 bowling alleys, a couple of local wineries, movie theater, and many other amenities. Huron offers a great school system with lots of opportunities for the kids to join sports or clubs, recreation/fitness centers, excellent water park, and home to the South Dakota State Fair as well as the World's Largest Pheasant. With the addition of the Dakota Event Complex (DEX) to the South Dakota State Fair grounds, Huron is attracting more events such as concerts from Thomas Rhett, PBR rodeos, and multiple barrel races. South Dakota is home to Mount Rushmore and the Black Hills which is only a short 5-hour drive from Huron for a weekend getaway.

Responsibilities:

- Diagnose, treat, and manage a variety of medical and surgical cases in large animals (e.g., livestock, horses) and small animals, if applicable.
- Provide routine preventive care, such as vaccinations, health checks, and herd management consultations.
- Perform emergency services and farm calls as needed.
- Educate clients on animal health, nutrition, and overall well-being.
- Maintain accurate and thorough medical records.
- Collaborate with other veterinarians and support staff to deliver comprehensive patient care.

Qualifications:

- Doctor of Veterinary Medicine (DVM) or equivalent degree from an accredited veterinary school.
- Licensure (or ability to obtain licensure) to practice veterinary medicine in South Dakota.
- Interest in or experience with large animal medicine; mixed animal experience is a plus.
- Strong diagnostic, surgical, and communication skills.
- Ability to work independently and as part of a team.
- Willingness to participate in a rotating on-call schedule for emergencies.

What We Offer:

- Competitive salary commensurate with experience, as well as buy in potential for the right individual.
- Comprehensive benefits package, including health insurance, retirement plans, and paid time off. As well as a practice vehicle with a vet box for in field work.
- Continuing education (CE) allowance and opportunities for professional development.
- Access to state-of-the-art equipment and facilities such as in house CBC and serum chemistry machines, x-ray, ultrasound, electrocautery, ultrasonic dental machine, large animal haul in facility and portable hydraulic chutes for field work.
- Supportive and experienced team to help you thrive in your role.

How to Apply:
