Veterinarian Position – Black Hills

The Southern Hills Animal Clinic is a well established small animal practice in the Black Hills of South Dakota that has been serving the Custer community for the last twenty-five years. We are looking to hire a full or part-time veterinarian who is proficient in medicine, surgery and dentistry. Our clinic offers digital radiograph, anesthetic monitoring, in house chemistries/CBC and therapeutic laser. We have a friendly and experienced support staff and a flexible schedule with no after hour emergencies. Potential for future practice ownership if interested. Salary negotiable.

Veterinarian Position – Brookings

Clinvet South Dakota, a trusted leader in animal health research, is excited to find an experienced veterinarian to join our team! In this role, you will oversee the health and care of all our livestock production animals, including swine, cattle, poultry, and more. We're seeking someone passionate about enhancing veterinary care standards, supporting clinical studies, and advancing animal health research. This position requires compliance with Good Clinical Practice (GCP), and USDA Title 9 animal welfare regulations. If you are ready to make a difference and be part of a great team, we would love to hear from you! Please email your resume to thomas.williams@clinvet.com.

Veterinarian Position at Western Veterinary Services, PC with an opportunity for couples and ownership

Do you have a passion for serving clients with exceptional, full-service medicine? Are you someone who dreams of joining a team dedicated to professional and personal development? We have the perfect opportunity for you to join our team! We have 2 offices in Western SD. The primary office is in Kadoka and the satellite office is in Philip. There is ample opportunity for outdoor enthusiasts to hunt, fish, and hike in these wide-open spaces.

Practice Overview

Established in 1978, Western Veterinary Services is a second-generation practice originating with the retiring veterinarians, Bill and Norma Headlee and carried on by their daughter, Corale. We are passionate about taking care of our clients, our community, and our team. We believe in serving our communities through a dedication to personalized service in a clinic-based setting. We have a newly updated facility with all the bells and whistles from ultrasound and digital x-ray to surgery suites with gas anesthesia and in-house blood work. We also have hydraulic chutes, hydraulic trim tables, padded equine surgery room and fully stocked vet trucks with Bowie vet boxes. In addition, our clients bring the individual animal cases to the clinic so doctors don't live in their truck.

What You'll Be Working On

- Continue the full-service exceptional medicine our loyal clientele appreciates.
- Build and maintain client relationships and educate on treatment options for all species.
- Manage a diverse livestock caseload from internal medicine, chute work, lameness, reproduction, record analysis and more as well as providing a full range of companion animal services.
- 85% beef cow calf, 10% companion animal 5% equine with room to expand.
- Guide and utilize exceptional trained support staff (4 staff to doctor ratio) including in-truck vet assistants.

Qualifications

- Doctor of Veterinary Medicine from an accredited program is required.
- Licensed in SD with Level 2 Federal Accreditation.
- Possess job skills that let you be operational when you begin.
- Highly motivated, with a demonstrated passion for service and continuous learning.
- Demonstrate commitment to ethics and integrity.
- Possess excellent interpersonal and communication skills.

What's In It For You

- Starting pay \$90,000 – 110,000 based on experience with bonus opportunities.
- Enjoy a 4-day work week option with rotating emergency coverage shared with owners (avg 40 emergencies/year/doctor and 100% of emergencies done in clinic.)
- Weekly team meetings and weekly doctor rounds to discuss cases and develop new services.
- Health, Dental and Vision Insurance
- SIMPLE IRA with up to 3% match
- Sixteen days Paid Time Off including extra time off for CE
- Loan Forgiveness through VMLRP as a Food Animal Practitioner available
- All licensing and professional fees covered
- Generous CE (over \$3,000) & Uniform Allowance
- Fully stocked Vet Truck with Bowie Vet Boxes
- An opportunity to own your own practice if you are interested, with a seasoned practice manager and trained support staff to make you profitable straight out of the gate.

How to Apply

If you want to learn more in a confidential setting, you can reach out to Dr. Corale Dorn. Call or text my cell phone at 605-359-4968 or email drdorn@westernvs.com. Check us out at westernvs.com

Veterinary Technician Position – Dell Rapids

Position Overview

Are you looking to grow professionally? Do you pride yourself on your work ethic and ability to build relationships with clients and your team? Are you passionate about serving your community by contributing to client education and pet care? We have the perfect opportunity for you to join our team with no night or emergency shifts, and just one Saturday morning a month (closed during the summers.)

Location

Our practice is located in Dell Rapids, SD. There is local housing available and we are just 20 miles north of the largest city in the state. The commute up the interstate may be quicker than your commute across Sioux Falls.

Practice Overview

Established in 2006, Dells Veterinary Services is a privately-owned, AAHA accredited practice serving high-end livestock herds as well as offering top of the line pet care. Our clients RAVE about us because we are passionate about educating and delivering the highest quality veterinary care. We believe in elevating everyone from our staff to our clients, and we do this through a dedication to excellent service and continuous learning. We have an 8,400sqft facility with all the bells and whistles for equipment including digital x-ray, ultrasound, in-house bloodwork and urinalysis, gas anesthesia in our surgical and dental suites along with cold laser, digital dental x-rays, and Midmark 3 dental equipment. We hire kennel attendants, a cleaning company and customer service representatives so our techs can focus on the things they went to school for.

What You'll Be Working On

- Engaging and communicating with clients promoting education and preventative care
- Assisting with patient history, restraint, charges and client education in the exam room

- Monitoring patient conditions during treatments, procedures and hospitalization.
- Performing laboratory procedures and x-rays to assist in diagnosis and treatments
- Preparing medications for both outpatient and inpatients
- Administering anesthetics or sedatives to control pain under direction of a veterinarian
- Preparing surgical equipment, including sterilization, and ensuring that the operating room is properly stocked, sterilized and ready for surgery; This includes maintaining equipment on a regular schedule.
- Spearheading dental health for companion animals by performing dental exams, x-rays and cleanings.
- Assisting the receptionists as needed and assume their duties during their absence
- Additional responsibilities as assigned by management

Qualifications

- Must have an Associate Degree in Veterinary Technology. Certification is preferred, not required
- Willing to work four, 10.5 -hour shifts plus 1 out of 4 Saturday mornings during the school year.
- Be able to lift and handle up to 50 pounds
- Be highly motivated, with a demonstrated passion for service and continuous learning
- Demonstrate commitment to ethics and integrity
- Possess excellent interpersonal and communication skills and strong organization, time management skills, with attention to detail
- Have a strong understanding of animal behavior and handling techniques

What's In It For You

- Compensation varies due to experience and contributions to the clinic . Starting wage is \$18-21.50/hour based on experience plus opportunities for production bonuses
- Paid lunch time and no emergency shifts. We are closed on Saturdays during the summer and techs work only one out of 4 Saturdays during the school year
- A friendly work environment where loyal clients appreciate you and weekly team meetings all add up to a job that's actually fun to do
- Health, Dental and Vision Insurance
- SIMPLE IRA with 3% match, Generous CE & Uniform Allowance, Pet Service Discounts
- Paid Time Off including paid standard holidays plus 7 days vacation plus 3 sick days
- Endless opportunity to grow into your area of interest (e.g. nutrition, behavior, dental). If you are interested in livestock, we offer that opportunity, but it is not required for this position.

How to Apply

To apply, [fill out this application](#) then upload it with your [resume and cover letter here](#).

We are an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, national or ethnic origin, sex, sexual orientation, gender identity or expression, age, disability, protected veteran status or other characteristics protected by law.

Items for Sale

With the move, we have some equipment that we will be listing for sale. As local partners in our veterinary community, are hoping you can help us spread the word for any clinics or organizations in our state who may be interested in some of the items below.

- Kennels – we only have chain link panels left.
- Fovea Xray Table – moveable Xray table (image plate has been removed)
- We also have our old oxygen cage unit – this is basically a door set up to allow for administration of oxygen into the kennels while you can still watch the patients.
- 3 Mini fridges
- Potentially some crematory supplies and incineration unit but we are still using that at the moment.

Please let us know if you have any questions or if you can help us advertise for these items!

Thank you for your support and for being partners in veterinary care for our amazing community.
