NEW- SEPTEMBER 2025

VETERINARY ASSOCIATE – GLEN ULLIN, ND

TK Veterinary Service, PC is a large animal veterinary clinic located near Glen Ullin, ND seeking a full-time veterinarian.

We service cow/calf operations, a livestock auction market, and limited equine and small ruminant clientele. A special focus is placed on reproductive services including Embryo Transfer and Artificial Insemination.

The clinic features a heated indoor haul-in cattle handling facility with a hydraulic chute, a tilt table for podiatry work, and a dedicated space for dystocia cases. There is separate space for routine equine services.

The clinic provides pickups with full vet boxes (Bowie Galaxy) and hydraulic chutes (Parasal) for on-farm services, work cell phone and tablet/computer with practice software (EzyVet).

Current staff includes one office manager, one CVT, one veterinary assistant and separate dedicated staff for livestock auction market duties.

Responsibilities would include providing clients with quality on farm cattle services including BSE's, bangs vaccinations of which we pregnancy check most, ultrasounding for fetal age and sex, AI services, and general herd health discussion.

Emergency calls shared between veterinarians, which is primarily during calving season and rarely any calls the rest of the year.

Compensation includes salary with the option for commission. Individual health insurance, retirement, liability insurance, license fees, dues for 2 professional organizations, vacation and time for CE. You will have a very high chance at receiving the ND Veterinary Loan Repayment worth \$80,000 over 4 years. A 4 day work week is an option as well, with no scheduled weekend work.

TK Vet Service is located between Dickinson and Bismarck, just off I94. There is ample recreation in the area, perfect place for small town life but a reasonable drive to the city for all your needs including a very good airport in Bismarck. Glen Ullin offers a grocery store, hardware store, post office, coffee shop, gas stations, small restaurant and a Dollar General.

ASSOCIATE VETERINARIAN (NEW GRADUATE OR EXPERIENCED)- RAPID CITY, SD

All Creatures Veterinary Hospital is the perfect fit for hardworking veterinarians that enjoy their free time. With nights and weekends off you will have ample time to enjoy the beautiful Black Hills and all they have to offer.

Our practice is open Monday through Friday and our veterinarians typically work 40-50 hours per week. We treat emergency cases if possible but refer after-hour emergencies to the local emergency clinic, depending on the case and need for care. Our small animal caseload is wide and varied, from basic wellness to involved medical and surgical cases and everything in between.

Our progressive and modern facility consists of a large reception and retail area, five examination rooms, separate hospital wards, radiology suite, laboratory and pharmacy, large treatment area, two surgery suites, and separate hydrotherapy suite. The clinic is equipped with an Abaxis laboratory (HM5 complete blood counts and four VS2 rotor

chemistry machines to provide an in house full range of blood work on canine and felines). We also have digital radiography, ultrasound, CT, laparoscopic and orthopedic surgical equipment, laser therapy, endoscope, and digital medical records (Avimark).

We employ a large and experienced full time staff with registered technicians, veterinary assistants and receptionists. They are relied upon heavily for obtaining diagnostics, performing treatments and educating clients. This allows our doctors to spend more time examining patients, interpreting diagnostics, and developing treatment plans.

Area Description

We are located in the beautiful Black Hills of South Dakota close to Mount Rushmore. The area provides excellent outdoor activities including hiking, camping, mountain biking, fishing and hunting, water sports, rock climbing, and many other incredible outdoor recreations. Not to mention the view which stunning year round! Rapid City has a population of about 80,000 with the surrounding area of about 140,000 and growing. Rapid City offers an array of affordable places to live, low crime rate, great school districts, numerous churches, and amazing community events that peak just about anyone's interests.

NEBRASKA EQUINE VET CLINIC & PROPERTY FOR SALE

Property Description:

Are you interested in a fully operational Vet Clinic in Central Nebraska? This property is home to a clinic that previously served equine medicine for all of Central Nebraska and beyond.

This parcel of land also includes a 4 bed/2 bath home, indoor horse stables connected to the clinic, a large barn, outdoor pens and an indoor arena. The previous veterinarian left a long list of inventory as well, which can be provided to those with serious inquiries.

Fonner Park is across the road and hosts 16 weeks of live horse racing, various livestock shows, Nebraska State Fair and the Aksarben Stock Show. It's a unique property with a mix of rural charm and city convenience. Please contact us for more information and the inventory list.

FULL OR PART TIME VETERINARIAN - WEBSTER, SD

Webster Veterinary Clinic

1400 E 7th St

Webster, SD 57274

WHAT WE ARE LOOKING FOR:

The Webster Veterinary Clinic located in northeastern South Dakota is looking to hire a veterinarian for full (4 days a week) or part time, Saturdays until noon and some on call time based on work schedule. We are a mixed animal practice consisting of about 65% small animal, 30% cow/calf and 5% equine and small ruminants. We have wonderful relationships with both small and large animal clients and enjoy what we do. We would welcome a new graduate or an experienced veterinarian.

WHAT OUR AREA PROVIDES:

The area provides an excellent school system, many main street businesses that are very nice and is an agricultural related community. You can also find lots of recreational options such as hunting, fishing, camping, movie theater, restaurants, golfing, bowling, horse riding activities, access to a fitness center and is only 45 minutes away from a larger community.

WHAT YOU HAVE TO WORK WITH:

This is currently a single doctor practice that provides routine small animal care along with surgeries, dentals and emergency services. Small animal equipment includes gas anesthesia, serum chemistry, digital x-rays, ultrasonic dental machine, EKG and various other lab equipment. We provide routine large animal care such as pregnancy checking, bull soundness exams, calf work, equine dentistry and emergency services. Large animal equipment includes a portable hydraulic chute, portable manual chute with scale, in house working facilities with hydraulic chute, power float and lab equipment.

OUR OFFER FOR YOU:

In addition to a competitive salary, this job would provide a pickup with a vet box, paid CE, paid licensing fees, liability/malpractice insurance 100% paid, vacation/paid time off and a flexible schedule. We have a wonderful support staff including 1 veterinarian technician, 4 assistants and an office manager. Please contact Dr. Jessi Warrington at 605-345-4817 or email at webstervet@itctel.com. We look forward to meeting you!
